

# Coackatoo Rise War Veterans Retreat .

## ***HELP NEEDED***

Greg & Anne Carter with a group of Vietnam Veterans and Friends are creating a Retreat for War Veterans their partners and War Widows .

The Retreat is situated 5 klms from Bairnsdale , in the Gippsland Lakes area of Victoria . A golf course has been established for those who stay and visit the area , we have bush walking , a large veggie plot for pottering around in , fishing just relaxing or enjoying the many different aspects the area has to offer .

*We need help from people who can assist us with some minor renovating in the shed to make walls for the shower room , also some electrical work and plumbing . Anne and I would be delighted to have you stay with us on the property , there is not a lot to be done but we do need skilled people who can complete these tasks .*

*If you can help and are available in the next 2-3 weeks we would love to hear from you , t0409418332 .*

This Victorian Retreat will form a valuable link in the existing chain of retreats around the nation , there will be NO CHARGE for those who stay and enjoy the facilities . Your help and assistance to finalize what has already been done would be gratefully received .
